MERRIFIELD PARK BATHING BEACH OPENED SATURDAY

Several Hundred People Frolic in St. Joseph River—Improvements Made.

About 500 hundred people, ranging from the toddling child of two years to the grandparent of four-score-and-ten, deserted the family bath tub and flocked to Merrifield park bathing beach for a pleasant frolic in St. Joseph river Saturday afternoon, when the beach was officially opened to the public by Manager Frank Milana. The bathhouses and refreshment stand have undergone a complete remodeling, and extensive equipment in the way of slides and floats have been purchased and installed for the benefit of the pleasure-seekers. Mrs. Milana has spared no expense in making the place one of the most attractive of its kind in or near Mishawaka.

FRANK MILANA

The bathing spot is one of the safest and cleanest along the St. Joseph river, having a sandy bottom and a wading radius of nearly two-thirds the distance across. It is located at an especially convenient place at the foot of Nile av., and last summer drew considerable out-of-town patronage from South Bend and Elkhart. It is expected, with the new improvement, that the open-air natatorium will be more largely attended than last year.

Better facilities have been provided by the manager for dressing rooms and the checking of clothing and valuables. Electric lights have been strung from the street to the beach with a large flood light for the diver.

Mr. Milana, who was selected by the Board of Public Works from among a large number of applicants, to manage the place, will serve the wants of the men and preserve the order of the place, while Mrs. Milana, who served so efficiently last year, will take care of the women and children.

Under the careful supervision of Mr. and Mrs. Milana the beach gained a most creditable reputation last year, no accidents having occurred, and it is confidently predicted that under the same management, together with the improvements, the

CHARLES WEIR.

Since the opening of the Mishawaka Clothiers store at 107 N. Main st. 18 months ago, the firm, of which Louis (Louie) Kekko is manager, has succeeded in establishing a prosperous business and has from time to time added new lines of merchandise to its stock, the latest of which is a shoe department under the management of Charles Weir, formerly of the Douglas shoe store. "Louie" is one of the youngest store managers in the city and the success of the business is mainly due to his efforts. The company operates stores in three different cities.

An Indianapolis mother of a new daughter wants to know which is the prettiest name—Hazel, Pearl, Maybelle or Dewdrop. Play it safe, madam. Mary Jane covers every case. It imparts dignity to beauty and adds a glory to freckles and pug noses.
